Club Race Update – Next committee meeting will be held at Giuseppe's Bar and Grill, 6065 S Durango Drive (702)896-7616 on February 4, 2008 at 7:00 PM. All club members and volunteers are encouraged to attend. The meeting will be chaired by T. Zito because R. Mohan will be out of the country on business. The minutes have been issued, the committee members have been assigned action items and the event is coming together as expected. On item with the budget, the corner worker room costs have increased since the budget was approved by the board.

New Equipment – Scott Mann suggested that the Club look into purchasing a 5 watt radio transmitter to use during our DE events and the Club Race to work like a public address system. The participants can

be told to tune their radios to the correct frequency and then race control can make announcements to them very quickly and easily. Scott said that the unit with all necessary antennas and wires will not exceed \$400.00. T. Mazzagatti made a motion to purchase a 5 watt radio transmitter assembly, A. McArthur seconded and it passed.

SandScript – R Gabe said that Robin Gabe is resigning as the Sandsript editor after the June Issue goes to print. Randy also mentioned that Robin is looking for some more content and S. Braun and S. Mann volunteered to write articles. An upcoming issue's owner's spotlight will feature T. Mazzagatti and his #37 911 race car.

Local Corner Worker Organization – B. Mohan discussed the fact that there is not a local company that provides qualified corner workers for racing events. He feels that there is a potential business opportunity in our valley for an organization such as ours to put together a trained crew and market the service to the local race facilities, organizations, car clubs, etc. to raise money for the LVRPAC. It was suggested that we wait to consider this until after the club race in May.

A motion to adjourn the meeting at 8:00 PM was made by B. Mohn, seconded by T. Mazzagatti and passed.
